

# Mickey's Playground Safety

Have fun, but remember The 10 Rules:

1. Walk, don't run.
2. No pushing or shoving.
3. No climbing on top of the jungle gym or monkey bars.
4. No jumping off of high places.
5. Never touch broken glass or anything that looks dangerous.
6. Always have adult supervision.
7. Never touch or slide on a metal slide on a sunny, hot day.
8. When swinging always use your feet to drag and stop.
9. Hold on tight when climbing or swinging with the lock grip.
10. Be smart. Play smart.

Here is a picture of me playing safe:
