

Note: Make an overhead transparency of this page to use with page 19.

**Solid**

**Liquid**

**Gas**

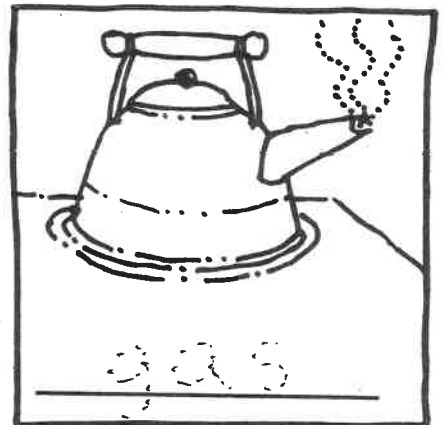

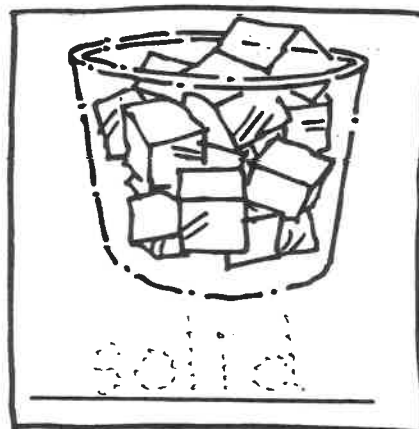

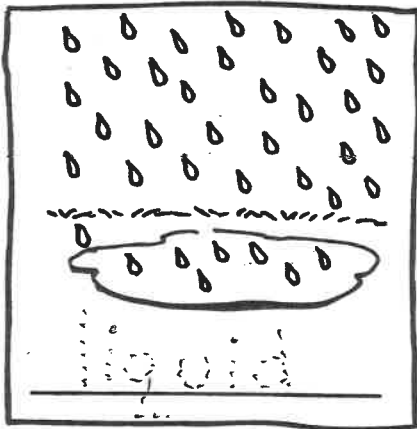

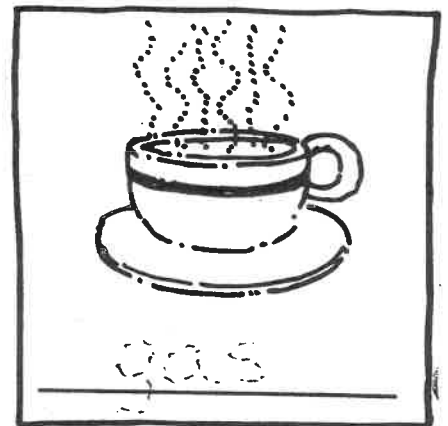

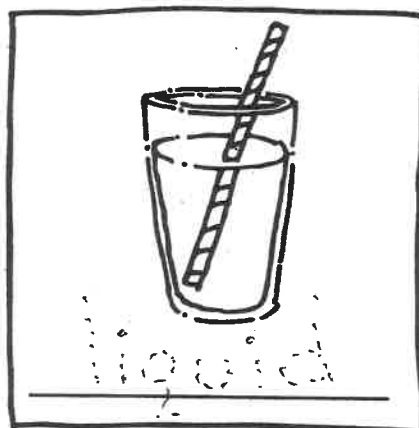

Name \_\_\_\_\_

## What Is It?

**solid    liquid    gas**

Write the correct word under each picture.

Fill in the missing word.

1. When water is liquid, we can drink it, wash with it, or swim in it.

2. When water freezes into ice or snow, it is solid.

3. When water is warmed, it goes into the air as a gas.
