

Hello Parents.

This week we read a story about **Super Friends**. In this story, Tucker the Turtle and Melvin the Monkey teach us that when we are kind, respect others, and use solutions, we can be Super Friends just like them.

We are also learning that it is important to play games such as "Go Go Stop", "Melvin Says", "What Time is it Mr. Wolfe," and "Monkey Tag." These games help us build skills to wait our turn, and control our impulses.

Our teacher is sending a list of games so that we can play them together at home.

Thanks for reading
