Read the poem. Then, fill in the missing words using the list here.

Good manners are not
 Hard to learn.

When I'm in line,
 I wait my turn.

I use a tissue
 When I sneeze.

When I want something,
 I say "please."

I say "THANKS!"
 Most every day.

I watch where I
 Throw trash away.

I share with others
 For you see,

Good manners get
 The best of me!
