Echoes and Traveling Sound

# Sound Travels

# Worksheet

Circle your answers.

1. What do you think is true?

- a) Sound travels in all directions
- b) Sound travels in only one direction

2. Who could hear the radio?

- a) Everyone in the classroom
- b) Only some people

3. Draw a picture of the experiment:

A large, empty rectangular box with rounded corners, intended for the student to draw a picture of the experiment.

4. Add arrows showing how the sounds traveled.
