

Inside a Chicken's Egg

An egg has many parts. Each part helps the chick grow.
Color the egg. Cut out the word cards.
Fold the word cards on the dotted lines.
Glue them in the correct places.

paste
This part keeps the chick safe and is its food.

paste
This hard outside part protects the chick.

paste
This inside part has air for the chick to use.

paste
This yellow inside part is food for the chick while it grows.
