

# ALL about ME

Hello my name is Melvin the Monkey.

I am going to share some information about me, my family and my community that are special to me and I am hoping that you will share your family information that is special to you.

I live in the African Rain Forest with my mom, my dad, my brothers Mosi and Max, and my sisters Maha and Malika. In Africa, we love to sing, dance and create art. I really love to learn new dances and I enjoy beading because it is part of our culture. I use lots of energy by swinging from tree branches and playing with my friends. I love to eat banana muffins, especially the ones that my mom makes.
